

Africa Test Part 1 Study Guide

Name _____

Label the following on the map below:

1. Sahara
2. Sahel
3. Congo River
4. Nile River
5. Atlas Mountains
6. Kalahari Desert
7. Egypt
8. Nigeria
9. Kenya
10. South Africa
11. Democratic Republic of the Congo

Define desertification

Describe the Sahara Desert

Describe the Sahel

Describe the Savanna

Describe three environmental issues in Africa and their effects.

How does a tribe's region/location influence its culture?

Name the four ethnic groups we studied and provide a very brief description of each.

Define imperialism and give an example

What was the Berlin Conference? How did it lead to Africa's colonization? What were its long-term effects?

What were the two main European countries that colonized Africa?

What have all the maps we studied told you about European imperialism during the early part of the 20th century?

What is apartheid? Why was it significant?

Who was Nelson Mandela?

Briefly compare/contrast apartheid to a similar event in history.

What is the Pan-African movement and why did it begin?

What is a rite of passage? Give an example.

Note: You will also need to study, read and analyze maps similar to the ones we looked at in the Scramble for Africa activity, review your questions from *A Long Walk to Water*, read a bar graph and interpret information from a reading passage.
