

### FOUND POEM ON WATER CRISIS

Using the article *Why Global Water Shortages Pose Threat of Terror and War*, create a Found Poem that conveys the tone, mood and issues with the world water crisis.

Criteria	Points Possible	Points Earned
Poem is at least 15 lines; all the words/phrases come from the article (with the exception of filler words such as “and,” “the” “but” etc.)	25	
The poem’s message explains the impact of the world water crisis	25	
The poem is clear, creative and puts words and phrases together that make sense (In other words, you did not just put a bunch of words from the article together, there is a clear message, word choice is deliberate)	30	
Includes a picture or illustration to accompany your poem and its message	20
