

## General Directions:

You are researching various people, places, events and groups throughout the Middle East from the categories on the other side of this page. You will have access to books about these topics or computers to conduct your research. You may work in groups of 2-4 OR you may work alone. (This assignment will be given while many people are at Jekyll, so please plan accordingly. You may only work with the people in YOUR CLASSROOM at the time this assignment is given. DO NOT PLAN TO HAVE A GROUP MEMBER WHO IS NOT IN CLASS!) PICTURES ARE NOT REQUIRED, BUT THEY ARE PREFERRED. You may hand-draw pictures or print them out from home. If media center passes are available, you may print them there. You can also incorporate pictures from the internet into a powerpoint or prezi.

## DIRECTIONS IF YOU WORK IN A GROUP:

- Select a category. You are responsible for creating a brief (2-5 sentence description of each item in your category.
- You may present the information as a brochure, newspaper, poster, scrapbook, prezi or powerpoint presentation (if computers are available – if not, plan on another presentation format) or a creative presentation format of your choosing
- Consider how to divide the work among group members. Perhaps some group members do research while others create the presentation? Or everyone takes part in all steps. How will you check for accuracy?

## DIRECTIONS IF YOU CHOOSE TO WORK ALONE:

- Select 6 topics from ONE of the categories OR choose 2 topics from EACH category – your choice.
- You are responsible for creating a brief (2-5 sentence description of each item in your category.
- You may present the information as a brochure, newspaper, poster, scrapbook, prezi or powerpoint presentation (if computers are available – if not, plan on another presentation format) or a creative presentation format of your choosing
