You can complete all parts of this project in class. However, you may work on EverFi at home if you choose. You may take the EverFi assessments more than once (so if you don't like your score, you can retake the quiz at the end of the module). You **MUST** complete the EverFi Welcome Mayor section. However, from there, you may choose any **TWO** modules to complete that appeal to you. All other assignments for this project will come out of the JA workbook. Those pages will be on my website, should you want to access them at home.
