

Choose ONE of the following religions:	Categories to research (choose 4)
Judaism Christianity Islam	1. Fashion/attire 2. Birth, wedding, and Death Ceremonies 3. Dietary Codes 4. Prayer 5. Daily Rituals 6. Key beliefs or tenants (doctrines) 7. Leaders 8. Current Events 9. Symbols 10. Moral Codes 11. Music 12. Art

Your task is to compile a world religion museum archive. The box/bag will contain (4) artifacts which you will share and reflect on.

### Artifacts

- ✓ You must have 4 artifacts to represent the religion you selected. These artifacts must be presented in different mediums. For example, you cannot have all pictures or all written artifacts. A perfect archive would be a combination of two-dimensional and three-dimensional pieces that would serve as visuals and text.
- ✓ Each artifact must include a paragraph that explains how this artifact exemplifies your category and the significance of the item to the religion. A good practice is to include as many of the 5 W's (who, what, when, where, why, & how) into your paragraph.

### EXAMPLE:

#### Christianity Artifacts

- *Amazing Grace* - Hymn (music)
- Bible (key beliefs/prayers – physical object)
- A drawing/illustration or copy of Leonardo da Vinci's *The Last Supper* (Religious art)
- Newspaper article about Pope Francis (current event) – explain why the article is significant
